SMILE PROGRAM

Each Session is unique, limited to 10 students, designed by the class based on the children's talent "Bright Mind Cards":

SUPPORT

This Workshop talks about everyone in their home (culture) and community that supports them and how they can support one another, using their talent and working with other positive support groups

MOTIVATE

What they LOVE Doing, comes from within, after taping into their gift, mentoring within the group learning how to encourage one another talking, journaling watching positive **age appropriate** movies.

INVEST

Each child will be taught the importance of community service and **GIVING Back** (using their talents), leaving this place better than they found it. As we gain knowledge we should serve, we are never too young or old.

LOVE

Self Esteem, Loving yourself first, each child is reminded this world would not be the same without them. Without love for yourself and others you cannot SMILE! Each one of us is here for a purpose. **We are here to SMILE**

EDUCATE

INVEST IN YOUR EDUCATION, THE WORLD CAN NOT TAKE AWAY YOUR KNOWLEDGE. MEMORY WORK IS STRONGLY ENCOURAGED "USE IT OR LOSE IT"

Eye and hand coordination using puppets and other hands on tools.
